

Saving money for your next vacation getaway is easier than ever with South Jersey Federal Credit Union.

Simply sign up for a Vacation Club and decide how much you want to save when it's time

for vacation. You can start your Vacation Club on the

The money you have saved will be distributed on the first of the month, 12 months after the start date. Even if you only save \$10 a week, that's \$520 plus interest you'll have for your next vacation!
